

This is a Gift a Quilt Fundraiser which means all of your donation you make online or mail in will go towards renovating the space in the T and C affordable housing project for women, children and seniors. Crafty Bees have been operating for 15 years and teaching women how to Quilt and providing a safe support group to the women involved. This is a 14 million dollar project on this women's affordable housing that is so desperately needed in our city right now.

We have raised 9 million of those funds to date and continue to fundraise to complete renovations so the ladies can move in asap.

There will be 3 quilts as door prizes to be given away for anyone who attends this fundraiser in person. You do not have to attend this event to donate or bid on a quilt for a lady.

You can go online by end of week to view all quilts in auction including the 3 door prizes at victoryfoundation.ca Only attendees can get names entered on door prizes with minimum \$100 bid at event. All quilts pictured and numbered on website by Friday the 21st.

You can make your donation there directly and please specify **to designate to Quilt Auction** so that the funds go directly to this cause. Receipts will be provided online.

If you wish to bid on a specific quilt, this buys you the opportunity to have your name embroidered to the quilt you win and chance for you to give the future tenant an encouraging message with her donated quilt. \$100 minimum bid required. If you don't win the quilt of your choice, we will contact you to give you the opportunity to choose another available quilt of your choice to include your name and message on. Otherwise, donation to this project can be made at event or online even if you wish to anonymously donate or bid on specific quilt. All bids need to be emailed to me at delaneycd@shaw.ca so that your bid can be included night of auction. We will then contact you if you won or need to choose another quilt to put your name on. The end motivation is to support this project financially and to Gift all these beautiful quilts plus backup quilts to the future tenants when they arrive and help see this project through to renovated completion. It is fully funded by all private donors. No Government funds to date. We completed the same project for men over 17 years ago and it is a super success. victoryfoundation.ca
